

# MEDICAL ALERT CARDS

simple solutions @ work®

## The **TABBIES® ICE MEDICAL ALERT CARD**

and **TABBIES® MED CARD** are the size of a credit card and are perfect as a giveaway for:

- Doctors' Offices
- Hospitals
- Retirement Homes/ Extended Care Facilities
- College Admissions Packets
- New Hire Packets
- And Much More

These useful cards allow the individual to fill in pertinent medical information that can then be stored in a wallet in case of emergency or for quick reference.

Unlike other emergency cards, the **ICE MEDICAL ALERT CARD** and **MED CARD** are automatically laminated to seal in the written information and eliminate smudging. Folded together, the card is strong, durable and water resistant. The **ICE MEDICAL ALERT CARD** and **MED CARD** are much less expensive than anything similar on the market.

## INSTRUCTIONS

1. Lift up protective lamination and fill-in pertinent information.

2. Carefully lift protective lamination straight up and roll forward slowly to remove protective laminate release paper to seal card information. Press firmly.

NOTE: Protective laminate has now sealed the card with pertinent information.

3. Peel off release backing paper of card and carefully fold in half.

PEEL OFF

4. Press firmly to seal, including around edges.

FOLD, PRESS, SEAL
