

Beauty **BRAWN**

The B&B
Total Shelving System
that provides
Office Good Looks ...

...or Warehouse
Muscle!

... means Beauty & Brawn!

**Contemporary-styled
Oak-Grain Finish on 5/8"
Wood Shelving!**

Good looks make this shelving brighten any office or area. Clean, smooth, modern lines are highlighted by a putty-colored steel frame. A rich, oak-grain finish completes its versatile appeal.

**Strength . . . Security.
Holds over 700 lbs.
Per Shelf!**

Quality gauge steel, no unsightly side or back braces. Designed for lasting strength and maximum security. Wood shelving conforms to HUD Formaldehyde Emission Standards.

**Variety of Shelf Sizes . . .
Meet Your Every Need!**

Allows you to design shelving precisely to your work and space availability. Provides for attractive and efficient use of space. Customize for virtually any office or warehouse use. Add matching or complementary units as needed.

**'Snap-Together' Assembly
Without Tools!**

Fast, easy and secure assembly saves important time and money. Uprights and shelf supports simply snap together . . . and it's done! No tools or complicated directions. Even the 'fairest' of hands can do it!

**Modular:
Easily Adjusted as your
Storage Needs Change!**

If your storage needs include records, books, binders or supplies . . . whatever, you can easily and quickly make efficient shelving changes. No need to purchase additional shelving, simply adjust what you have. Of course, matching units are available for expansion.

Meeting Your Every Storage Need . . . with Satisfaction!
